“How To Prepare for CSS in 5 to 6 Months”

- Month 1:** Start by understanding the syllabus word by word and choose your optional subjects under experienced supervision. Also focus on your Language, Strength and Weakness and start preparing the syllabus from the recommended sources.
- Month 2 – 4:** Complete your syllabus in these three months and do not leave any topic untouched.
- Month 5:** Focus on revision, also do not forget to cover Current Affairs religiously, and revise the whole syllabus in at least 3 to 4 times.
- Month 6:** Practice mocks test every day, and revise the syllabus twice in a month.
Revise whatever you have read, include reports, and rankings and do not forget to prepare the latest ECONOMY SUREVY OF PAKISTAN, REPORT.
Attend maximum evaluations in this whole period, whether topic wise or book wise.

All the best....
